home page: http://www.aczoom.com/tools/cdinsert/

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

A History Of Greece, To The Death Of Alexander The Great, Vol. 2

John Bagnell Bury

A History Of Greece, To The Death Of Alexander The Great, Vol. 2

J.B. Bury (16 October 1861 − 1 June 1927) wrote his "History of Greece" before World War I, (this edition 1913) but it is such a good overview of classical Greek history that the third edition was still being used as a college textbook in the late 1960’s. In the newer editions, a co−author rewrote the material dealing with the early centuries where there have been new archeological developments, but the later chapters and Bury’s framework were retained essentially unchanged. Bury writes in a lucid, easily understood style that entertains as it educates. The book covers artistic and literary development, as well as politics and war, and its field of view includes western Asia Minor, the Aegean archipelago, and "Greater Greece" (Sicily and Southern Italy). (Summary by Karen Merline)
